2ⁿᵈ CBR World congress - Empowering and Enabling
Community actions towards human rights and sustainable development through CBR
September 26-29, Kuala Lumpur, Malaysia

CONGRESS PROGRAMME

Day 0, Monday, September 26, 2016

Registration to the Congress will be possible from 07.30 onwards.

PRE- CONGRESS WORKSHOPS	
	Time
WORKSHOP 1 **BRIDGE project** Facilitated by Ali Shabbar and team from IDDC and IDA	**09.00 – 16.00**
An introduction to the BRIDGE CRPD-SDG training programme by IDA and IDDC. It aims at supporting DPO activists develop an inclusive (all persons with disabilities) and comprehensive (all human rights) CRP perspective on development, including the agenda 2030 and sustainable development goals (SDGs) to reinforce their advocacy for inclusion and realisation of the rights of persons with disabilities. It hopes to initiate a dialogue between IDA, IDDC, DPOs and CBR stakeholders.	
WORKSHOP 2 **Disaster Risk Reduction and CBR** Facilitated by Benjamin Dard withteam from CBM and partners	**09.00 – 16.00**
Using a mix of presentations and working groups, the workshop will draw on participant experiences to define clear recommendations and actions to CBR practitioners in including Disability inclusive DRR in their programs as a strategy for better development. As a result participants will have increased knowledge and understanding of Disability inclusive DRR, including the understanding of the Sendai Framework for DRR, the Dhaka Declaration and how this links with community based development strategies and programs.	
WORKSHOP 3 **Appropriate wheelchair service provision: Progress, Challenges and Resources** Facilitated by Mary Goldberg and team from the International Society of Wheelchair Professionals	**13.30 – 16.00**
Due to the significant shifts in the wheelchair sector globally, this workshop will focus on: • Improving participants' understanding of the need and benefits of an appropriate wheelchair • The 8 Steps of Wheelchair Service Delivery as referenced by the World Health Organization • How CBR models can improve outcomes for wheelchair users and support the critical steps of wheelchair referral and follow-up within communities • Your role in wheelchair service provision within your country, How you can commit to making a change, including strategies and suggestions to move the sector forward The workshop is appropriate for those with influence in developing and sustaining wheelchair service provision in their respective country including policy makers and influential leaders, clinicians, technicians, NGOs, professional groups, wheelchair users and their families, and any other relevant parties.	

Registration to the Congress will be possible from 07.30 onwards.
